Pitch

Six songs that started a saga — and the world they built is still expanding.

Description

"Darwin's Cat - EP" is the band's debut record — and the place where the entire Darwin's Cat universe begins. Across six hard-rock songs, it introduces the philosophy, the characters, and the cosmos that every later release would expand: an interstellar civilization of curious, science-minded cats, the apes they left behind on Earth, and the long, restless habit of asking why.
